Of course, Fall planting must be done early, before the ground freezes. I start to ship Trees from here right after the first of September and continue up to around November 15th when the ground is frozen and further digging is impossible. Be sure to send your order in to me now so that I can reserve your Trees and make shipment at the proper time.

MINIMUM ORDERS

Because of the excessive cost of packing small orders, no order will be accepted for less than five trees, and no order for less than one dollar value. All orders must be in multiples of five trees of one kind and size.

SHIPPING WEIGHTS AND TERMS

All prices on this page except our special offers are F.O.B. Fryeburg, Maine. Cash with order, or shipped C.O.D. if one-half amount accompanies order. Approximate shipping weights: 3 and 4 yr., once transplanted, average 10 lbs. per 100 trees; 5 yr., twice transplanted, average 30 lbs. per 100 trees; 6 yr., twice transplanted, average 35 to 50 lbs. per 100 trees.

WHITE PINE

White Pine may be shipped into all states (and the District of Columbia) except Arizona, California, Colorado, Georgia, Kentucky, Nevada, New Mexico, North Carolina, South Carolina, Tennessee, Utah, and Wyoming.

LARGER TREES

Larger trees than those offered in this price list must be handled with a ball of earth around roots, which makes transportation charges excessive unless you live in Maine or New Hampshire. Outside those states, buy larger trees from your local nurseryman.

*ON ALL SPECIAL OFFERS, add 25c for postage on each shipment west of Mississippi River or south of North Carolina and Tennessee. We are unable to make any changes in these Special Offers. If you desire some other assortment, use the regular price list above.

What Folks Say About My Trees

Here are a few of the many letters I get each season from enthusiastic customers. Be glad to show you these and other letters if you're ever visiting up this way.

Best in Value and Appearance

The 85 evergreens I ordered arrived in good order and I am pleased with them. They are really more than you represented them to be. I bought from several nurseries last Spring and your trees are by far the best in value and appearance.

E. H., Berrien Springs, Mich.

Well Satisfied

Thought that you might like to hear from a well satisfied customer. The trees are wintering well here and the heat in summer doesn't seem to bother them at all.

J. T. K., Brookfield, Ill.

18 Years a Customer

This is the 18th year that I have been ordering trees from you. There are more than 300 evergreens around my home and I am very proud of them.

R. R. M., Pittsburgh, Pa.

Nicer Than Expected

Received the trees all O.K. and in wonderful condition. They were far nicer than we expected. They are all planted and sure look nice. Thank you very much.

A. F. L., Saginaw, Mich.

The Best Ever

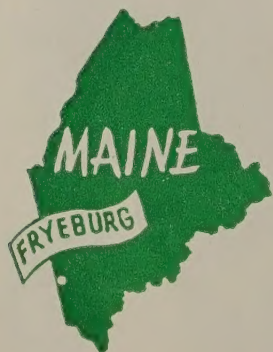

I purchased about 100 small evergreens from you 12 years ago and they are now tall, sturdy trees, the best I have ever seen. Your trees are tops with me.

F. P. E., Rochester, N. Y.

Fast Growth

The 50 trees I planted all lived and grew to almost twice the size in one season.

G. W. G., Stormville, N. Y.
